Re: Freedom of Information Act Request No. EPA-HQ-2018-006837

Dear Mr. Kirby:

This letter concerns the above-referenced FOIA request, received by the U.S. Environmental Protection Agency (EPA or Agency) on April 19, 2018, in which you requested:

“...a list of all addressees who were sent Dr. Andrew Sawyers’ April 19, 2018 email with Subject: Update to Wet Weather Regulations for Wastewater Treatment Plants.”

The Agency has concluded its search for records responsive to your request and is providing the requested records in full. Enclosed is the email, with all addressees listed, sent by Andrew Sawyers on April 19, 2018.

This letter concludes our response to your request. You may appeal this response by email at hq.foia@epa.gov or by mail to the National Freedom of Information Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue. If you are submitting your appeal by hand delivery, courier service or overnight delivery you must address your correspondence to 1301 Constitution Avenue, N. W., Room 6416J, Washington, DC 20004. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. Appeals received after 5:00 pm EST will be considered received the next business day. The Agency will not consider appeals received after the 90-calendar-day limit. The appeal letter should clearly identify the determination being appealed, including the assigned FOIA tracking number shown above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked “Freedom of Information Act Appeal.” Additionally, you may seek dispute resolution services from EPA’s FOIA Public Liaison at hq.foia@epa.gov or (202) 566-1667, or from the Office of Government Information Services (OGIS).
